

Congratulations BP on 100 years...

...and thank you

Renaissance Services has been proud to serve BP through its TOPAZ Marine subsidiary BUE in the Caspian Sea. From our Offshore Support Vessel (OSV) fleet providing marine logistics to our oil & gas fabrication and engineering capabilities, to our life-support accommodation and facility management services, we look forward to serving BP over the next 100 years and more. Thank you BP for showing us the way to align ourselves with the very best in the oil & gas industry; Renaissance Services: Safe; Efficient; Green; Local.
