

VISION...

...CREATES OPPORTUNITIES.

*"We acclaim all those who strive for the Renaissance of Oman. It is a true call to all who participate now, and in the future, in the building of this Renaissance, to go further to the wide horizons and higher goals that beckon us forward."*

His Majesty Sultan Qaboos Bin Said

We thank His Majesty Sultan Qaboos Bin Said whose wise leadership has brought stability, progress, prosperity and opportunity to our home market of Oman. At a time of global economic turbulence, the wisdom and prudence of good governance in Oman's institutions are reflected in the good governance of an Omani public company like Renaissance Services.

Congratulations to  
**His Majesty Sultan Qaboos Bin Said**  
and the people of Oman on the occasion of  
the 39th Renaissance Day.
